

PRAMISH SHARMA POUDEL

WEB DEVELOPER

Shankhamul, Kathmandu | pramishsharma78@gmail.com | www.poudelpramish.com.np

SUMMARY

I am a passionate web developer with a solid Knowledge of frontend and backend technologies such as HTML, CSS, JavaScript, Node.js and MySQL. I have experience building responsive websites, implementing user authentication systems, managing databases, interactive applications, focusing on delivering user-friendly, responsive, and efficient solutions.

EDUCATION

2022- Current

BSc.CSIT

Tribhuvan University

- Programming languages, Data structures and algorithms, Software engineering

PROFESSIONAL EXPERIENCE

WordPress Developer

Nov 2024 - Jan 2025

- Developed and launched a WordPress website for the district cricket organization to showcase events, player stats, and news. Customized themes and integrated plugins for match schedules, event calendars, and updates.
- Website: www.cap.org.np

PROJECTS

Amazon Clone

- Developed a fully functional Amazon clone using HTML, CSS, and JavaScript.

To-Do List Application

- Built a To-Do List application using JavaScript for task management.
- Implemented functionality such as adding, editing, and deleting tasks dynamically.

Rock-Paper-Scissors Game

- Developed a Rock-Paper-Scissors game using JavaScript, implementing game logic, score tracking, and interactive user interface.

Weather App

- Built a Weather App using JavaScript that fetches weather data from an external API.

E-Commerce Website (Backend)

- Created a fully functional e-commerce website using Node.js and EJS for the backend and templating.

Authentication System (Backend)

- Developed a user authentication system with Node.js, Express.js, and JWT, implementing login, signup, and password reset, while managing credentials and sessions in a MySQL database.
